About

Jin Woo is a methodical, patient, and thoughtful retired engineer who approaches learning with careful deliberation. He's slightly intimidated by modern technology but willing to learn

Goals & Needs

- 1. Communicate confidently with locals during travels
- 2. Understand cultural nuances and etiquette
- 3. Enjoy authentic experiences beyond tourist areas
- 4. Share travel stories and connections with family

Motivations

Recently retired Jin Woo Robert and his wife have planned a three-month European trip through Italy and Spain. He wants to move beyond typical tourist interactions and communicate meaningfully with locals to enjoy authentic cultural experiences. He now has more time in hand and wants to learn that feels genuine rather than a homework

Everyday Activities

- 1. Studies consistently about a topic in longer sessions (30-45 minutes)
- 2. Does morning learning routine with coffee
- 3. Tends to his garden, runs errands in the afternoon, cooks dinner from scratch - quite active
- 4. Reads books before bed, often takes evening walks with his wife, visits library twice a week

Frustrations

- Complex app interfaces with too many features
- Fast-paced lessons that don't allow for reflection
- Lack of cultural context in language lessons
- Feeling too old to learn effectively

Device Usage

- Tablet
- Mobile

Representative Quote

"I want to have real conversations with people I meet, not just ask where the bathroom is. Learning about culture is just as important as vocabulary"

About

Mr. Rodriguez is an ambitious and driven professional who thrives in fast-paced environments. He's highly organized, results-oriented, and takes pride in his achievements.

Goals & Needs

- 1. Achieve professional-level Spanish proficiency for career advancement
- 2. Build confidence in business conversations and presentations
- 3. Connect with his cultural heritage
- 4. Prepare for potential relocation to company's Mexico City office

Motivations

After being passed over twice for international project roles at his company due to language barriers, Rodriguez realized bilingual employees have better promotion opportunities. He's determined to become fluent in Spanish within 18 months to advance his career and reconnect with his family's heritage.

Everyday Activities

- 1. Uses phone during commute (2 hours daily)
- 2. Studies primarily on weekdays, early morning or evening
- 3. Attends back-to-back meetings, eats lunch at his desk
- 4. Works late 3-4 nights per week.

Frustrations

- Limited time due to 50-hour work weeks and commute
- Expensive traditional language classes with rigid schedules
- Embarrassment about making mistakes in front of others
- Inconsistent progress due to work travel and deadlines and other time constarints

Device Usage

- Desktop
- Laptop
- Mobile

Representative Quote

"I need to learn Spanish fast and efficiently. Every day I don't speak it fluently is another opportunity missed at work"
